

CC Business Mixer: CC Entrepreneurs

Business meets Creative Commons: Please join Creative Commons and Creative Commons board member John Buckman for an evening of networking for entrepreneurs, VCs and others interested working on a CC business idea.

*Got an idea for a Creative Commons related business?
Don't know how to start?*

Email John Buckman at
johnbuckman@creativecommons.org if you're interested in presenting.

Present your idea in 5-10 minute presentation, with a final slide saying "we are looking to meet...", and you network with people who can get you started.
